The Abu Dhabi Department of Economic Development presents the first virtual edition of Abu Dhabi The Future, under the theme "Abu Dhabi Economy...The Leaders' Vision for a Sustainable Future". The event aims to explore the latest basic trends in the economy and investment to develop a clear vision for the post Covid-19 pandemic, highlighting Abu Dhabi as a preferred destination for investment.

Abu Dhabi, the capital city of the United Arab Emirates, has undergone a major economic transformation over the years. Because of the magnificent vision of Abu Dhabi's leadership and their paramount commitment to enriching the lives of its people, the city has significantly developed to become globally competitive in terms of its economic, social, and cultural impact on the world.

Abu Dhabi's strengths and forward-looking perspective were further demonstrated during the onset of the pandemic, responding immediately to address the economic challenges brought by the global outbreak. Witnessing the necessity to take vital steps to ensure business continuity and maintain economic stability, the government of Abu Dhabi launched different initiatives and stimulus packages geared towards supporting businesses to enhance Abu Dhabi's competitiveness of business, knowledge, innovation, and lifestyle.
